Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Friday 15 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright today, but wet and windy tonight.

Today:
All parts will have a dry day with some bright or sunny spells after a chilly start. Any mist and freezing fog will gradually clear as the southerly winds gradually freshen. Maximum temperature 7 deg C (45 deg F).

Tonight:
Rain will soon reach Fermanagh, pushing steadily eastwards during the evening. The rain heavy at times with gales developing around the coast. Drier with a few showers by dawn. Minimum temperature 4 deg C (39 deg F).

Saturday:
Rather showery during the morning, but the showers becoming well scattered in the afternoon with some bright spells. Breezy with strong winds along the north coast. Maximum temperature 8 deg C (46 deg F).

Outlook for Sunday to Tuesday:
Bright with sunny spells and a scattering of showers on Sunday and Monday, the showers wintry over the hills. Mostly cloudy with rain and hill snow on Tuesday.
